

R is the best language for Shiny.

...I will die on this hill.

Quotes

Python is the second-best language for anything

DanCallahan@PyCon2018:

JoeCheng@rstudio::conf(2022):

Joe Cheng @ rstudio::conf(2022) :

R is the *best* language for Shiny.

...I will die on this hill.

Dan Callahan @ PyCon 2018 :

Python is the *second-best* language for anything
